SACSEWER'S TYPICAL MAINTENANCE ACTIVITIES

At the Sacramento Area Sewer District (SacSewer), keeping our sewer system in top operating condition is a 24/7 job and one we take very seriously. We closely monitor our system and carefully plan proactive maintenance and repairs so our customers can continue to receive the reliable sewer service they've come to expect.

If you experience sewer problems or have any questions about work occurring in your neighborhood or on your property, please call us first at (916) 875-6730.
