

SERVING YOU 24/7

IT'S A DIRTY JOB, BUT WE'RE HAPPY TO DO IT.

The sewer system is probably the last thing on your mind, but at the Sacramento Area Sewer District, it's our first priority. We're the region's largest sewer utility.

SACSEWER'S MOST WANTED
THE SACTOWN UNFLUSHABLES

WRECK-IT WIPES

If you come in contact with this notorious clogger, remember to trash the wipe, not the pipe.

MADAME MASK

If you come in contact with this sneaky sewage stopper, put it in the trash.

BOSSY FLOSSY

If you come in contact with this snarled mess, put it in the trash, not the toilet.

SacSewer has put out an APB on the **SacTown Unflushables**, the culprits most wanted for taking over the bathroom, clogging pipes, and causing sewage overflows in the Sacramento region!
